How would you like these results reported?

Email? Address

Fax? Number

Results will be available by fax or email only

PLEASE SEND ANOTHER SAMPLING KIT --- YES/NO

Sample instructions for Liner Swabs

Take 1 Sterile swab and rub the swab up and down the inside of each of the liners three times (4 liners each usually). Go into any milk or liquid hanging on the inner lip of the liner. Replace the swab into its container and refrigerate.

Send the swabs next day delivery with ice brix or deliver Monday – Friday keeping cool.
